

## "TORCH OF PEACE"

Amidst the troubles of man's mind and the hurts and hates of human heart, spring forth of societal disorder and human sufferings.

In search for peace, Love, care and concern, human kind lives but in despair and hopelessness.

Truely, mankind can only hope for "True Peace" which the "Prince of Peace" alone can give. For from the "Throne of Grace " in Heaven, is seated the "Torch of Peace" which passes man's understanding.

May the "God of Peace" be our "Torch of Peace" through the Prince of Peace".

May the "Peace makers" of the world be the Torch of Peace" for mankind, in times of despair and hopelessness.

Yours for Peace,

Hon. Nathaniel R Waena (MP)  
Minister for Peace  
Solomon Islands Government
