

Dr Keiko Koma <<mailto:webmaster@npokoma.org>>

Dear Keiko san,

I thank you for your letter. I congratulate you on your initiative in organising a global-scale concert titled, "Torch of Peace". The world is crying for peace. Unfortunately, there is a growing violence in the human heart. Therefore, the concert series is a timely one. I hope it will spread the message of love and peace among humankind.

With warm regards,

Yours sincerely,

M S Swaminathan
