Dear Ms. Koma,

Thank you very much for your letter dated July 8th, 2003 in which you were kind to attract my attention to your concerts for the peace this year.

Your noble efforts to extend opportunities to Japanese and world people through the artist, Idaki Shin - he has a strong will to construct a peaceful future with richness and beauty through bringing forth improvisational music transforming the lands' and the inhabitants' innocent energies - is very much impressive.

Please accept, Ms. Koma, my heartfelt congratulations and best wishes for the success of Idaki Shin's concerts so that his music would touch the cords of people's hearts to lead the world further to the eternal peace.

Sincerely yours,

Ahmed Ali Hamad ALMUALLA
